

What Is At The Heart of Worship?

What is at the heart of worship? According to our **Directory of Worship (W-2.1001)**, ***"Prayer is at the heart of worship."***

There are at least two factors that help shape prayer. The first is the Word of God. The second is the life of the community of faith (W-2.1001).

I want to thank those members of the community of faith who have resolved to pray more in 2016. I want to especially thank those who will be joining me at 6:30 AM Monday-Fridays for a 30 to 45-minute Morning Prayer Conference Call.

We will begin on Monday, February 1, 2016. During our time together, we will participate in a brief devotion, pray over prayer requests received, share praise reports to God's answers to our prayers, and make our morning declaration as we begin each day in our Lord and Savior, Jesus Christ.

If you will join me in Morning Prayer, let me know by clicking here to send me an email: [Danny, I Will Join You for Morning Prayer in 2016.](#)

Faithfully Yours,
