

**Is This You...or  
Is This Someone  
You Know?**

**Goals+Time+Discipline**

## **April is National Financial Literacy Month!**

### **Is Also a Great Time to Test Your Financial Fitness and Knowledge!**

How do you live for today while preparing a financial foundation for the realities of tomorrow?

**WE CAN HELP! Put your learning cap on and attend our Financial Fitness class!** We'll review the basics of Financial Literacy, help you assess your current situation, and give you the knowledge to take a confident step forward toward your financial future. Our class provides financial education that goes beyond the basics of Financial Literacy:

- **The MyMoney 5: Money Management Techniques**
- **Budgeting Basics**
- **The 6 Elements of Successful Financial Planning**
- **Preparing for the Future Life Events:**
  - Getting Married or Divorced
  - Having a child
  - Buying a home
  - Preparing for college costs
  - And more!

An educational course for anyone, this seminar is **Free of Charge** with no obligation. Register now, seating is limited.

The instructor for Financial Fitness is Brian Trapani\*
