Parent Authorization

I have read ALL the BFA Talent Show guidelines and rules and I give my permission for my child to audition. I understand that my child must attend the audition with all necessary materials and be performance ready to be considered for the performance. I understand that because of time, a desire to have a variety of talents and grade levels represented during the show, not everyone who auditions will be chosen to participate. If chosen, it is my/my child's responsibility to prepare for the talent show.
