

# Support the future SOLDIERS from Haines City High School that will serve OUR country!

We are looking for local business who would partner with the Haines City High School Army JROTC to ensure that our Raiders team has the funds to compete in the 2-man Best Raider Event and the 12 man National Championship. The events will be located in both Florida and Georgia, one on March 11-12, April 29-30, and then in November.

**Our goal is to raise \$2,000.00 which would cover all of the travel, food, and accommodations necessary for the team.**

## WHY SHOULD YOU GIVE TO THESE KIDS?

*Here's why:* Army JROTC provides Cadets with the character-building aspects of a diverse, self-disciplined civilian education with tough, centralized leadership development training.

Haines City High School Army JROTC was established in 1971, this being the 45<sup>th</sup> year serving our students. Over the years, HCHS has won many trophies for their achievements. Our current JROTC Raider team placed in 3 of 5 events in the State Raider meet held in February, a first for Haines City High School.

## HOW CAN YOU DONATE?
