

**“Step Afrika!” to Perform Live at Radnor Middle School
Friday, March 4th at 7:00 PM**

Presented by DELTA

Districts Educating and Learning Through The Arts

Over the past 20 years Step Afrika! has grown to become one of the top 10 African American Dance Companies in the US and Washington DC’s largest African American arts organization. Step Afrika! began as an exchange program with the Soweto Dance Theatre of Johannesburg, South Africa, and has expanded to become a national and international touring company presenting shows, residencies and workshops worldwide. Step Afrika! will present their highly acclaimed stage performance which celebrates dance in cultural traditions and showcases dance as music when performers use their own bodies as instruments.

Footsteps, claps and the spoken word.

Intricate movements, rhythms and sounds.

The tradition of stepping infused with the energy, artistry and excitement of Step Afrika!

The Step Afrika! show is brought to you by DELTA, the non-profit consortium of PTO Cultural Arts representatives from Tredyffrin/Easttown, Radnor, Great Valley, Lower Merion and Downingtown School District areas. The incomparably high quality Cultural Arts programming that our children enjoy is made possible by the efforts of DELTA volunteers who work together to make programs available to and affordable for our member schools. Step Afrika! will perform this full theatrical show for our community following a nine school tour where they will feature their shorter educational program tailored to student audiences. Valley Forge Middle School students will enjoy shows during school on March 3, 2016. **Just one of many quality programs brought to you by your PTO!**

Come out and enjoy a great night of high quality family entertainment while also supporting DELTA’s mission of supporting our children’s learning through exposure to the Arts in all forms!
