### Valley Forge Junior High / Valley Forge Middle School 50<sup>th</sup> Anniversary Celebration – Friday May 13, 2016, 6:00-8:00pm **Sponsorship Opportunities**

Dear Alumni, Friends and Community Partners:

This year, Valley Forge Junior High ("VFJH", now Valley Forge Middle School or "VFMS") is celebrating its 50<sup>th</sup> Anniversary! From a brand new junior high school nestled within Wilson Farm and the groundbreaking of Gateway Shopping Center, Valley Forge Junior High served students in grades 7 through 9 until the school changed its name to Valley Forge Middle School in 1985, serving students in grades 5 through 8 as it does today. Whether you are an Eagle alumnus, a middle school parent or grandparent, or a valued member of the community, we hope that you have fond memories of your time here or interactions with all of our Valley Forge families, faculty and staff.

**On Friday, May 13<sup>th</sup> our Parent Teacher Organization along with our current VFMS administrators, faculty and staff will be hosting a 50<sup>th</sup> Anniversary Celebration at the Middle School from 6:00 – 8:00pm.** This family friendly celebration will include a display of VFJH and VFMS memorabilia, activities for the kids, music, food and snacks (available for purchase) and an "Alumni Headquarters" where we hope to welcome Alumni from ALL 50 of our graduating classes with a *Homecoming style celebration at 6:30pm.*

Our current VFMS administrative staff and PTO families are volunteering their time to plan and carry out this exciting event! We hope that you will consider sponsoring this event so that we can not only celebrate this amazing milestone with our alumni and families but also to continue to support our VFMS faculty, staff and students for years to come.

The main purpose of the VFMS Parent Teacher Organization (PTO) is to enhance the educational experience of our children and support another 50 years of success with educational and technology tools that are not currently funded by the School District. Last year, the PTO (which includes all of our VFMS families) made a significant impact on our children and staff through the purchase of 60 iPads, 5 volume purchasing vouchers, 60 iPad cases, 2 Griffin 30 bay multi-dock sync and charge tablet carts and 20 8GB flash drives. This purchase depleted most of our funds; however our PTO felt it was necessary to provide our children with this technology. While the School District continues to determine how and when it will be able to provide and support technology to our students, we would like to continue to work together to meet the needs of the students and the requests by the faculty and staff for relevant educational and technological support for years to come.

Your generous sponsorship will not only support our 50<sup>th</sup> Anniversary Celebration, but you will also be helping to provide much needed funds for ongoing educational needs at VFMS, including an additional bulk purchase of iPads to be used in the coming school year. The VFMS PTO is a 501 (c) (3) organization, making your sponsorship donation 100% tax deductible.

**We hope you will consider sponsoring this memorable event and supporting the VFMS Parent Teacher Organization. We are happy to answer any questions you may have, in follow up to this letter.**

Sincerely,
