

AGRICULTURAL EXCELLENCE CONFERENCE

SEEDING TRANSITION TO HARVEST CHANGE

Join us November 19-21 2014 in Winnipeg, Manitoba

A one-of-a-kind event that brings diverse industry experts and stakeholders together from across disciplines, regions and commodity sectors to share and explore beneficial farm management practices and insights with leading farm business thinkers across Canada.

The 2014 conference theme, *Seeding Transition to Harvest Change*, highlights the importance of having the knowledge, skills and tools to seek out, assess and take advantage of opportunities to succeed within the changing global marketplace. Top notch speakers and interactive learning sessions will assist Canada's farmers in making informed decisions and taking calculated risks.

The Excellence Conference is different from other agricultural events in that it focuses specifically on addressing key farm business management principles using a systematic approach to business management

Speaker Highlights:

Canada's Agricultural Economic Outlook - J.P. Gervais, Chief Economist at FCC

Global Market Outlook and Opportunity - Earl Geddes, President, Progression Consulting

Planting Clarity, Weeding out Procrastination, Harvesting Transition Harmony– Elaine Froese, Farm Family Coach

Future of Farming & Planning for Success - Cedric Macleod, Macleod Agronomics

Success At Any Size – Kevin Hursh Hursh Consulting and Communications Inc.

Managing Risk in Agriculture Panel Discussion – Moderated by Hugh Maynard, Qu'anglo Communications & Consulting
