HEALTHY AGRICULTURE FOR A HEALTHY WORLD

WHAT ARE THE IMPLICATIONS FOR AGRICULTURE AND FARMERS IN FEEDING A HUNGRY WORLD? FOR SUSTAINING HEALTHY FARM BUSINESSES? HEALTHY AGRICULTURE? HEALTHY PEOPLE?

Farmers, advisors, academia, policy makers, researchers, and anyone with a keen interest in farm business management gather to share best practices on the world stage. Take the opportunity to present a paper, become a sponsor or become part of the event at www.ifma20.org.

Register online now!

Early Bird rates available until May 1, 2015. Accepting papers now! Submit today!
