

Why You Should Attend the 2016 Western!

Education

Learning Centers: interactive, small group education led by exhibitors on the trade show floor.

Doug Tallamy's keynote on Creating Living Landscapes and the panel discussion to discuss how his message works for your company.

Roundtable Discussions led by fellow WNLA members, including young professionals.

New for 2016, **Education in Spanish** with sessions on management and "how to" topics for your staff - from Management to Pruning.

Western University offers you an opportunity to connect with professors and hear about the latest research.

Find the NEW plants you need at the
2016 Fashion Show!

WNLA Education Series includes year-round education - webinars, tours & onsite education on New Plants, Native Plants, Management, Emerging Leaders and Greening the Industry.

Trade

Trade Show: Build relationships with and discover innovative new products from local, regional and national suppliers.

Networking

Western Pub networking with ONLA, KNLA, MLNA and INLA.

Kids + Nature Reception & Awards on Wednesday evening with Ignite sessions on getting kids in nature.

Trolleys to BBQ and Breweries free Thursday evening transportation to local restaurants, bars and micro-breweries.

Next Generation

Students are invited to the Student Forum with Doug Tallamy and to join the Student Advisory Committee.

Emerging Leaders facilitated discussion for young professionals.
