

SKILLS for Life 4 Bilateral Upper Limb Loss Workshop

A unique event dedicated to bilateral upper limb loss

October 22-25, 2015—Houston Marriott Medical Center; Houston, Texas

Mark your calendars now!

This workshop includes a program that will feature a series of workshops devoted specifically to issues faced by individuals with bilateral upper limb loss. Presenters will include individuals living with bilateral upper limb loss, therapists, prosthetists, physicians and others.

Comments from SFL 3-

"It's the most human, instructive, wonderful conference I ever have attended. Thank you again!!"

"Everything about the workshop was very good. Thank you very much for putting a workshop like this on. It was really an eye opener for my son Parker. He now knows how truly independent he can become."

"This was the best conference/workshop I have attended in my career/OT of 25 years"
