3655 S Campbell
Used Car Department
Springfield, MO 65807

ASA members - \$25

Non-Members - \$30

Includes dinner & training

Please RSVP by December 30th

Reliable Chevrolet & GM Parts are offering an in-depth look at the Diesel Oxidation Catalyst DOC and the Diesel Particulate Filter DPF. The technological enhancements that the Duramax 6600 diesel engine received in 2007 are covered. You can learn about the two new Duramax diesel engines mechanical features, the fuel delivery system and more.

You will receive a GM Parts Powertrain Training Certificate on 2007 Duramax 6600 Diesel Engine Updates suitable for framing.

We hope you will join us for an evening of learning!
