Insurance 101

by Mitch Fiala, **FEDERATED INSURANCE**
It's Our Business to Protect Yours®

You have insurance, but are you really covered? Are you paying more than you need to?

Insurance is very complex and can be very confusing. This discussion focuses on some common coverage concerns and presents real-life examples of the different factors that determine business insurance premiums. Attendees will get a better idea of how they can take control of their garage risk management programs, which may help reduce your future costs.
