### Is your shop in compliance with the OSHA changes that went into effect in December of 2013?

An OSHA Compliance Safety and Health Officer with the Department of Labor will provide extensive insight to the OSHA changes that went into effect in December 2013, as well as the top 10 most common citations that shops are fined for in our industry. Learn easy steps that you can do to prevent these violations and potential fines.

This is a great opportunity to ask questions and find the facts that can save you dollars and headaches!
