Chapter Roundtable Event

Help us determine our chapter's future events

We need your feedback on management and technical training topics, as well as other events and programs you want to bring into our area. Don't miss this opportunity to have your voice heard and help ASA meet your needs in 2015-2016.

Be prepared to discuss:

- *Scan Tools
- *Do you hold shop meetings? If so, what do you cover?
- *What ASA benefits are available to you, that you aren't taking full advantage of?

We hope you will join us!
