Garage Gurus

3168 Riverport Tech Center Drive
Maryland Heights, MO 63043

\$25 for ASA-Midwest Members
\$30 for non-members

Includes dinner & training

RSVP BY MAY 3rd

This workshop is designed to focus on the high volume repair opportunities found in the under-car sector of the automotive industry. The important relationships between component integrity, alignment geometry, vehicle handling and tire wear are defined. We will discuss proper inspection procedures for all suspension and steering system types. Hands-on shop demonstrations in our state-of-the-art service bays will be performed during this workshop.
