Insurance 101

by Cole Waddell, **FEDERATED INSURANCE**
It's Our Business to Protect Yours®

You have insurance, but...

- ...are you really covered?
- ...are you paying more than your competitors?
- ...how are premiums developed?

Come prepared to discuss these topics, plus how your insurance can help cover you when dealing with discrimination, electronic data, pollution, business continuation, employee tools, identity recovery, liability for faulty work performed by technicians, and more.
