So, you have a website, congratulations! Now what? In order for your website to be effective and help your business grow, you need website visitor traffic. And not just any kind of traffic, but the right kind of traffic that converts visitors into paying customers! Join Danny Sanchez, AMI Accredited Instructor, Certified Google Ad-words Specialist, and Internet Marketing Expert, in this class that will introduce you to strategies for increasing your shop's website traffic and Internet visibility. This is the class that gets the Internet working in your favor—bringing you new customers, and putting more cars in the bays!
