**Join us for a unique evening at Frontier Justice Firing Range!**

We will start with some education: over dinner, discuss your gun rights as a business owner, what insurance you need to protect yourself and your business, conceal and carry laws in both KS and MO, and what you need to know when traveling over the state line.

Then, spend time between the firing range where you can test your skills and the Situational Awareness and Firearms Training Simulator which tests your tactical judgment in scenarios that come as close to real life as you'll find.

Your price includes dinner, training, gun rental & ammunition. Weapon upgrades are available for a fee.

**This promises to be an evening full of information and fun!**
