

2013-2016 Service Projects

Mozambique

LAR ESPERANÇA (HOPE HOME) and CENTRO DE EDUCAÇÃO ESPERANÇA (HOPE EDUCATION CENTER), serve young girls, adolescent girls and young women who have been orphaned or are living in extreme poverty and have insufficient support to provide food, clothing, shelter and education.

Kenya

Harvest View Academy offers quality and affordable education to orphaned, disadvantaged and neglected, Kenyan children. They hope to improve their service by providing adequate boarding.

How Fellowship Groups Help

Fellowship Groups and individuals network through prayer, program and project development and participation. This has been done through annual prayer topics and special worship services or events like the GWC birthday on August 20. This work has been sponsored by volunteer women at individual, regional and national levels.

With a \$10 annual gift, active groups help cover the cost of website and newsletter communication and assist in funding the travel of the president and vice president, president-elect and secretary-treasurer for Global Women Connecting meetings.

Additionally, funds are raised specifically for the benefit of the Service Projects. Look inside for ways to help.

Commit—Receive—Visit—Share

- ***Commit*** to pray daily for *Global Women Connecting*
- ***Receive*** GWC information through *World Convention's ChristiaNet* by email (Print available by request)

What We Do

Global Women Connecting -

- Unites, informs, and connects Stone Campbell Movement women from around the world.
- Provides mission emphasis via a four-year service project that all member countries support.
- Sponsors a women's event in conjunction with World Convention's Global Gathering for fellowship and networking.
- Communicates regularly through World Convention's newsletter— *ChristiaNet*.
Sign up at -
