

## 2015 Family Education Series

### Human Trafficking

Human Trafficking, also referred to as modern day slavery, is a growing global and national concern, yet few are aware of this epidemic's presence in the Baltimore Metropolitan Area. Unfortunately, between 50 and 80 percent of the children being exploited are, or were, formally involved with the Child Welfare System. This training will bring awareness to this epidemic and identify key risk factors and indicators of the most vulnerable individuals.
