SALTS Dory Challenge: Team Registration Form

Saturday September 3, 2011 (Labour Day Weekend)
2 pm at Ship Point Wharf, Victoria's inner harbor

Four-person teams are invited to sign up to participate in a rowing race using classic wooden fishing dories. There are six identical dories with room for a team of four rowers. A "coxswain" will be provided by SALTS to help steer the dory and provide instructions for the team. No previous experience is necessary—in fact, the less experience, the more fun we'll have! This race is open to anyone ages 13+ provided you register as a team of four. "Heats" will be raced with the best teams from each heat participating in the final race to determine which team takes home the trophy. Each participant will be lent a personal floatation device. By signing below, you agree to assume all risks and liabilities associated with the use of dories, including but not limited to the risk of injury. Maximum 18 teams on a first come, first served basis based on registration time and date.
