

PRESS RELEASE
For immediate release

**ENVIRO-SOL NOW AVAILABLE FROM THE MANUFACTURER
IN THE ONTARIO GOLF MARKET**

Cambridge, 2014 March 27 - Enviro-Sol is pleased to announce that we will now distribute firsthand our complete line of granular and liquid fertilizers to the Ontario golf market through our Professional Turf Sales Team out of our Cambridge Distribution Centre. This shift allows our turf professionals to offer our customers our quality, innovative products and agronomic support on a more personalised level, thereby providing them the optimum selection to suit the needs of their course. As always, our goal is to help grow the best turf possible.

Enviro-Sol would like to welcome to our team **Mark Schneider** and **Simon George** both with extensive experience in the golf industry. Along with **Pete Sojak**, they will be serving our customers as Professional Turf Sales Representatives.
