“When a patient says *I don’t want to be a burden*, it may really be a question, *Am I a burden?* ...when a patient says *I might as well be dead*, he may really be saying *No one cares about me*. Many studies show that assisted suicide requests are almost always for such psychological or social reasons.”

“Clinical labels may describe some aspects of an individual’s ‘functioning,’ but they don’t tell the whole story. ... It’s like looking at a stained-glass window... From the inside...with the sun shining through it, the effect can be brilliant. From inside our family, love illuminates our life with Charlie.* What may seem dreary to others, perhaps even unbearable, is actually filled with beauty and color.”
