**SILVERIDGE RESORT – REPLACEMENT OF BURIED CABLE
AGREEMENT**

DATE: _____	RESIDENT: _____ (" <u>Resident</u> ")
SPACE NUMBER: _____	FEE: \$65.00

SILVERIDGE RESORT has identified that some of the internet connection issues experienced by Residents at Silveridge are most likely caused by the inadequate and dated buried cabling between the pedestal and the Resident's home (which such cable was installed by and remains the responsibility of each Resident to maintain). In order to help Residents alleviate this issue, SILVERIDGE RESORT entered into a contract with Herb's Phone Service ("HPS") under which HPS agrees to replace the buried cable from the Resident's home to the connector under the Resident's home with Category 6 cable, replace all splices and test all cabling installed by HPS for a uniform price per home.

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned Resident grants to HPS and SILVERIDGE RESORT permission to replace the buried cable as described above and agrees to reimburse SILVERIDGE RESORT \$65 when such services are performed by HPS and billed to Resident.

Resident understands and agrees that SILVERIDGE RESORT is not responsible for the replacement or maintenance of such buried cable and agrees to indemnify, defend and hold SILVERIDGE RESORT harmless for, from, and against any claims, liability, loss, damage, or expense incurred by Resident that results from or is incurred in connection with the replacement of such buried cable, including, but not limited to any claim that HPS failed to adequately perform its agreements in connection with such replacement.

Resident agrees that prior to the replacement of the buried cable at Resident's home by HPS, SILVERIDGE RESORT may terminate this Agreement at any time, for any reason, by giving notice to Resident.

This Agreement contains and sets forth the entire exclusive agreement and understanding between and among the parties hereto pertaining to the subject matter hereof and reflects the reasonable expectations of the parties.
