Residents of both Cornelius & Huntersville receive the Resident Discount (RD) for special needs camps.

The Cornelius PARC Department and Huntersville Parks & Recreation Department strive to accommodate any individual with a disability, developmental delay, behavioral/attention/sensory disorder or any other challenge hindering his/her life experiences, learning or development. Camps are designed to create a positive experience using a variety of techniques to give each individual an opportunity to socialize, create self-expression, increase self-esteem and learn a variety of skills. Campers will each have an individual buddy volunteer to meet their specific special needs. For Special Needs camps only, Cornelius and Huntersville residents will have a priority registration period beginning March 1 and registration will open April 1 to the general public. Residency is subject to verification.

SCHOLARSHIP INFORMATION

It is the policy of the Town of Cornelius PARC Department to provide recreational opportunities to all residents of Cornelius. In order to provide all residents with these opportunities, the Town of Cornelius offers financial assistance to youth participants meeting the guidelines listed in this document. The number of scholarships is limited, depending on the space available, and will be given on a first-come/first-served basis.

For Summer Sports and Special Needs Camps, scholarships are available to residents of Cornelius and Huntersville. For Summer Arts, Recreation and Full Day Camps, scholarships are available to residents of Cornelius only. Generally, scholarships are offered for approximately ten percent (10%) of the spaces available. A state aid algebra will determine the number of scholarships that are available for each program. After the allotment of spaces has been filled, PARC staff will consider all applications on a case-by-case basis.

All residents will be required to pay a portion of the fee for each program. Full scholarships are not available through the Town of Cornelius for any PARC activity. If a child qualifies for reduced price meals through the public school lunch program, they may be eligible for assistance of up to fifty (50%) of the published fee. If a child qualifies for free meals through the public school lunch program, they may be eligible for assistance of up to seventy-five (75%) of the published fee. Applicants will be required to provide proof of eligibility for financial assistance. Failure to provide this information when requested will void the application.

REFUND POLICY

In the event that a child cannot participate in a camp session in which he/she has registered, a 90% refund will be issued when a minimum of fourteen (14) days advance notice is given. Refunds will be made only if a minimum of fourteen (14) days advance notice is given. A 75% refund will be issued. Once a camp has begun, no refund will be issued. Please allow up to 30 days for refund processing. Additionally, if a child wishes to transfer from a camp in which he/she has registered to another camp, a minimum of seven (7) days advance notice is required.

MISCELLANEOUS

All campers will receive one t-shirt for each category of camp, per summer.

PARC strives to offer a minimum camper to instructor ratio of 10:1. Camp minimum enrollments must be met in order to hold each camp. Camp dates, instructors, times or locations are subject to change with limited notice. If a camp is cancelled by staff, another camp or a full refund will be offered.
