

Today's Message:
The Foundation of Friendships

We don't often realize what a huge role the people we surround ourselves with will play in influencing our lives. Our friends determine the quality and direction of our lives. In the message series, 2>1, we'll see how good friends (and bad friends) can impact our feelings, our relationship with God, and our future. You were made for relationship, with God and with others.

To move you toward those relationships, we are excited to announce the Sharing In Lift Together (SALT) groups forming here at GUMC on beginning Wednesday, February 17th at 6:30pm.

These groups of twelve will meet weekly to discuss, share, and encourage one another in how our life with God is going. There are no prerequisites to be a part of these groups and no study or training is necessary. Childcare will be provided. You will have the opportunity to sign up to participate in our SALT groups beginning on January 24th online and in the Welcome Center. Come be a part of this new weekly ministry opportunity as we endeavor to grow closer to God together in community!
