We have some big goals this year. Join us and you'll make new friends, learn a few things, do a little good, and have fun! We meet on the first Wednesday of each month. Meetings feature a speaker and cover a wide range of subjects. We go on field trips to interesting places. We support local non-profit organizations in various ways.

You'll enjoy the company, goodwill and friendship that membership provides. We'd like to know you better, so mark the date, and we'll see you there. Any questions? Contact :
