

## **Foodborne Illness Outbreak Investigation Training**

University of Minnesota, Continuing Education Center

1890 Buford Ave

St. Paul, MN

July 22, 2015

8 AM – 4:00 PM

**Course Goal:** This workshop will cover a foodborne illness outbreak investigation from beginning to end. Topics will include epidemiological investigation, traceback record collection, and recall best practices. Insights will be shared by industry and government experts.

### **Learning Objectives:**

- Define the steps in creating the epidemiological hypothesis
- Identify the data records needed for a traceback
- Understand recall effectiveness check process

### **Target Audience:**

- Food industry, regulators, and academics interested in learning more about the outbreak investigation process, including recalls and tracebacks

### **Registration Fee:**

- **\$30.00 per person** fee includes: light breakfast, lunch & refreshments during breaks.
- Class size is limited to 75. Pre-registration is required.
- Registration closes on **July 13th**

**Contact:** Jennifer Pierquet at (651)-201-6316 or [jennifer.pierquet@state.mn.us](mailto:jennifer.pierquet@state.mn.us) for any other questions.

**Sponsors:** MN Food Safety and Defense Task Force and the MN Dept. of Agriculture.

MINNESOTA DEPARTMENT  
OF AGRICULTURE
