### Use just one form for the following:

- Any high school using Private School Aid Service.
- Any grade school using Private School Aid Service.
- Family Aid-Catholic Education (FACE) grants.

FACE award priority guidelines for 2016-2017 are available on-line at: www.faceofoakland.org. Because fundraising resources are limited, those families applying for elementary school aid who have not received FACE funding in 2015-16 and who do not have children in grades K-3 are NOT ENCOURAGED TO APPLY as it is very unlikely that they will receive a grant.

This form <u>must</u> be postmarked no later than <u>March 16, 2016</u> in order to be considered for FACE funding. Applications postmarked after that date will not be considered for funding from FACE.

Consult your individual school for their specific deadline requirements.

One debit will recover the item amount and the second debit will be the charge for applicable returned check and collection fees as allowed by law.
- 5. To ensure accurate tracking of grants, make sure the student's name is consistent from year to year.

#### INTRODUCTION

**PRIVATE SCHOOL AID SERVICE (PSAS)** is under contract with the school, school system, or organization from which you obtained this application for tuition assistance. Our purpose is to provide a reasonable assessment of the ability of each family to pay for the education of their children at private and independent elementary and secondary schools.

Your Student Aid Form, all attachments, and an analysis of your SAF are sent only to the school(s) or agencies contracting with PSAS. **No other agency will receive any information about this application or its attachments.** 

PRIVATE SCHOOL AID SERVICE does not make any decisions about recipients and amounts of financial aid awarded. Recipients and amounts of aid are determined by the designated school or agency. YOU WILL NOT RECEIVE RESULTS FROM PRIVATE SCHOOL AID SERVICE.

### **INSTRUCTIONS**

# A&B Parent, Guardian or Other Adult

This form should be filled out by the parent, guardian or other adult responsible for the tuition of the child or children attending a private or independent school contracting with PSAS. If the parents/guardians are divorced or separated, only the parent responsible for the tuition and any other adult residing in the household should fill out the form. If tuition is shared, each responsible party must complete a Student Aid Form (SAF) if financial aid is needed.

Answer *all questions* for both parent(s), stepparent(s), or guardian(s) responsible for tuition for the dependent(s) listed in Section C. **Do not leave any questions blank.** If natural parents are divorced, separated or single, answer all questions in Section E. If natural parents are divorced/separated and remarried, list information for custodial parent and new spouse. If either parent answers "self-employed," and has not filed a tax return, complete Section K. If you provide your email address to PSAS, it will be used for application related communication only. Your email address will also be provided to the organizations you list in Section C as part of your application. Your email address will not be shared with any other third party.

#### CALCULATIONS ARE BASED ON TOTAL HOUSEHOLD INCOME.

# Student Information

List all dependent children residing in your household in order of oldest to youngest. Indicate date of birth and the relation to Parent/Guardian A listed in Section A of the application (i.e. child, grandchild, foster child, stepchild, etc.). If your dependents will be enrolled in any tuition charging school or agency next fall (including daycare, preschool, elementary school, high school, college, or trade school), list the name of the school, city and state where the school is located. List the grade your child(ren) will enter next fall (2016-2017); the amount you feel you can pay toward tuition per year, and the amount of tuition charged per student per year.

If "No" is checked for a student listed in Section C, that student will not be considered for tuition assistance. For all additional dependents, use a separate sheet.

**NOTE:** The information regarding tuition charged per student assists PSAS in making the most equitable analysis of your ability to pay for private education. If you are unsure, please estimate.

# **Frequently Asked Questions**

#### My spouse and I recently separated, who should fill out the application and with what information?

The person responsible for tuition should fill out the application. If you and your former spouse filed a joint tax return for the requested tax year then both adults should be included on the application. If both adults resided in the same home for half of the requested tax year then both parents should be included on the application. For example, if the application is requesting **2015** tax information and the couple separated in August **2015**, then both adults will be expected to provide documentation of their income.

#### I have not filed my tax return. What documents should I provide?

Please provide your last filed tax return and **2015** W-2 Forms. If you filed a Schedule C, E or F on the last filed tax return then you must provide gross and net business estimates in Section K. If you filed a Schedule C, E or F in the previous year's tax year, and do not plan on filing in the requested tax year, please state that in Section L. *Please Note: An IRS extension will be requested for all applications received April 15<sup>th</sup> and later.* 

#### What is a net and gross business estimate?

Gross business income is the total amount of sales for a tax year. Net business income is the total amount of sales for a tax year minus the operating cost (The net business income is essentially the profit from the business, rental property or farm).

#### What is a Schedule C, E and F?

- A Schedule C refers to business income or loss.
- A Schedule E refers to *rental property*, royalties, partnerships, S corporations, trusts, etc.
- A Schedule F refers to farm income or loss.

# I have children in pre-school and/or college who are not applying for aid. Should I put them on the application? If so, why does it matter?

Please list all dependent children residing in your home who attend a tuition charging school/program. PSAS factors in the amount of children the household has in tuition charging schools.

#### I live with a significant other who is not responsible for my child's tuition. Should I include their information?

Financial aid considerations are based on total household income. In an effort to maintain consistency PSAS considers all members of the household who are contributing to household living expenses even if they are not legally responsible for tuition.

#### Why should I provide an email address?

E-mail is used to set up your personal PSAS account ,correspond with PSAS and track your application online at <a href="www.my.psas.org">www.my.psas.org</a>. The email address provided is only used by PSAS and the school(s) or agencies contracting with PSAS and will not be provided to any other entity.
