Along with volleyball, there are many other Summer Discovery Activities...

For the summer of 2015, Summer Discovery at SJND has a new selection of academic, athletic and fun activities for students entering grades 3 through 8, including learning to make movies with an iPad, engineering using LEGOs, basketball clinics and cooking classes. In addition, SJND is well-known for its summer Middle School Success Academy, which teaches students in grades 6 through 8 successful academic and social strategies for middle school, high school, college and beyond.
