

Notes Home

We had our 1st fire drill yesterday and I was so impressed how quickly, quietly, and orderly everyone left the building. Great job by teachers and students.

Thank you to all who attended Honor Chapel. Events like that make me so proud to be a Wildcat!

MMI Lunch and Snack: We are still using meal and snack tickets. Lunch is running smoothly and the food is yummy! Your feedback is always appreciated in order to help us improve where we can. Ice cream menus were sent out. All ice cream items are \$1.00 and will still be a treat on Fridays.

Jerseys: Remember Fridays are designated for football players and cheerleaders to come in uniform/jerseys. Thursdays are designated for our track team to wear their jerseys. We love seeing our young wildcats showing their school spirit!

Our theme word this year at St. Luke's is **Service**. We are so fortunate to be able to provide service opportunities for our students and families. If you are interested in learning more about one of the service opportunities we will have this year please check out <http://www.cannonballkidscancer.org/>.

Morning Care and Extended: Thank you for all of the positive feedback regarding morning and after care. Our high school Key Club came Tuesday and helped our SL+ students complete our 1st service project of the year. They made cards for kids receiving treatments for cancer. Thanks to Mrs. Cotton and Mrs. Strobe for organizing that service opportunity.

Drop Off: Please remember ONLY students attending morning care may enter the gates prior to 7:40. There is no supervision unless they are in morning care.

Tardies: Please help your child develop positive habits by helping us teach them the importance of being on time. It also helps their morning go smoothly without feeling rushed.

I am finalizing a list of all the upcoming *Special Events* on the Japonica Campus and will send home next week.

Important Dates:

Sept 1 Chapel grades 1st-5th

Sept 2 Little Chapel grades K3-K5

Bell Ringers: Bryce Barnett and Lilly Ann Bufford

Sept 7 Holiday- No School or SL+

GO WILDCATS!

Dr. Keesee
