

YOUR INVESTMENT IN GARCES MEMORIAL INFLUENCES THE LIVES OF OUR STUDENTS EVERYDAY

WHAT WILL YOUR INVESTMENT FUND?

FAITH AND SERVICE

Our Catholic faith is the cornerstone of our school. Your support will help fund religious programs essential to the formation of faith based values in our students. With the help of our full time Campus Minister, Director of Evangelism and outstanding instructors, you are helping guide our students on their journey to be men and women of God. All done through the teachings of the Church, retreats, and spiritual activities.

ACADEMIC EXCELLENCE

Providing challenging curriculum for all of our students is an integral part of the Garces Memorial mission. This year Garces has launched their Project Lead the Way program for our students interested in Science, Technology, Engineering and Mathematics. Your investment will ensure the retention of the most qualified and caring faculty and staff, who strive to help each and every student reach their full potential.

SOCIAL AWARENESS

As a Catholic school our students become keenly aware of their responsibility to serve their faith community, their school and local organizations. Your investment will help the students understand the importance of compassion, service and respect for others. Your support will allow Garces the ability to offer students the opportunity share their time and talents for the betterment of our community.

TEAMWORK: ATHLETICS AND EXTRA-CURRICULARS

There has been a long tradition of excellence and pride with all of our teams. This holds true with our athletic programs as well as our academic and other extra-curricular programs. Our responsibility is to provide learning opportunities outside of the classroom as part of the students' development. Your investment gives every student the chance to participate on a team, in a club, or activity. Ninety percent of our coaches and moderators are faculty members and on campus full time.

THE IMPORTANCE OF THE ARTS

Supporting the arts is the fuel for developing creativity in a young mind and offers an important means of self expression. Garces has been blessed with many artistic students who have shared their talents through music, theater, and/or the visual arts. Your support will help Garces Memorial continue to bring out the many talents of our students through these valuable programs.

PROVIDE THE BLESSING OF THE GARCES EXPERIENCE

"Being a student at Garces blessed me with the ability to know and understand my faith in ways that I could not if I had gone to another high school. I have become actively involved in my faith because of the Garces Campus Ministry program. The Campus Ministry program gave me the opportunity to deepen my relationship with God and help others come to know Him and preach the Gospel in abstract ways. Being at Garces also tested my courage of faith, ultimately bringing me closer to God, and strengthening the bond between us."

Madison Alexander '14
University of Mississippi
2nd Generation Garces Graduate

"In high school, many seeds were planted in my life which I have seen bear fruit. My education at Garces guided me to a new vision of life: a vision for wisdom, challenges, freedom, compassion, and love. But most of all I grew in the love of Christ. Without Garces Memorial High School I would not have pursued my dream to learn more about our God in the study of Theology. For this, I am proud to be a Garces alumnus."

P.J. Pierce '12
Franciscan University of Steubenville

TESTIMONIALS FROM GARCES GRADUATES

"Garces is truly a college preparatory high school, equipping students with skills that will put them ahead in college and make the academic transition much easier. I have found that I can manage my time efficiently due to the similarities between block scheduling and college scheduling and am very accustomed to the longer class periods. Also, I am almost an entire year ahead in academic credits due to the AP courses that Garces offers, allowing me to explore various areas of study and find what I am passionate about majoring in. I could not be more thankful for having such preparation that has allowed me to enjoy USD to the fullest and achieve my high academic goals."

Keely Palla '13
Honor Program at University of San Diego

"The experiences I had at Garces Memorial provided me an outstanding foundation that allowed me to further my education, become a successful military officer, as well as the fortitude to accomplish even the most difficult of tasks. I am a United States Military Academy graduate; I served eight years as an active duty officer with twenty seven months deployed in combat zones. I have held leadership positions since I was 19 years old and Garces prepared me for these roles. It is my belief that leaders are not simply born. Admittedly, there are innate talents leaders have, but the ability to become an effective and successful leader is teachable. Garces not only focuses on college preparation, self-discipline, and theological studies, but also strives to instill core values that help shape an individual's decision making skills, the foundation on which all leaders are built."
