

All about Annuals

Wednesday, May 25 6:00-7:00p

Expert gardeners from Lurvey's Garden Center will instruct this one hour class. They will discuss the details of planting annuals in the midwest climate including cutting, trimming, and what grows well together.

R/NR: \$24 #561601-1

All about Herbs

Wednesday, June 22 6:00-7:00p

Lurvey's experienced staff members will walk you through the specifics of how to plant herbs, what grows well together, and how to grow in containers if you have limited planting space.

R/NR: \$24 #161601-1

Let us help you get a greener thumb!
