- Participating vendor limitation: 15 vendors
- Music: To begin at 1 PM
- Food and wine: Available for purchase after 11 AM
- Admission charge to public: None
- Entry fee for vendors: None

Event Details

Nature of Event: This small art fair will present approximately 15 artist/vendors who work across a broad spectrum of mediums: painting, ceramics, woodworking, and jewelry, just to name a few. Each vendor must be the creator of the pieces that are for sale. As this is the type of event where children may be present, no sexually explicit creations may be displayed.

Site assignment: A maximum of 15 sites are available. Sites will be assigned in the order of arrival on the day of the event.

Vendor responsibilities: Each vendor will need to bring their own table and canopy. (Canopies are required from uniformity and will be needed as some sites will be in the sun.) Vendors are responsible for completing their own transactions and paying all applicable sales taxes. Vendors are discouraged from drinking alcohol during the hours the fair is open.

Setup and parking: Vendors should plan to arrive as early as 8:30 AM to insure that set up is complete by 10:30. Vendor parking will be provided behind the buildings to allow public parking in the parking lot. Apart from the set up, no parking will be allowed in the booth area.

Participation and sales: There is no charge to vendors or the public for participation in this event. All revenue generated from sales at each vendor's table will be kept by the vendor. Vendors should contact the State Board of Equalization for permits and paying sales tax.

Sustenance and entertainment: Food and drinks will be available in the covered area behind the winery. A concert will begin at 1 PM in the same location. Vendors may purchase food or bring their own.

Advertising: Heritage Oak Winery will pay for advertising in the Lodi News Sentinel. The winery will also send out email announcements to the winery's wine club and email list. Each vendor is encouraged to promote the event to their own distribution list.

Electricity: Limited power will be available. Vendors should plan accordingly. Contact Tom well in advance if power is needed.
