

Leanne Salel, the CLC Rep for Rockies Region, has been blessed to be a CLC member for the last eight years. Leanne left Toronto two years ago, first for Vancouver and now has settled in Calgary with her wonderful husband Peter and energetic kids Hannah (7) and Xavier (5), Leanne finds God in her daily life with them and in her work in the area of information and privacy oversight. Leanne first found CLC in a young adult open-group community and is passionate about bringing the gift of Ignatian spirituality to others, especially young people and families, and trying to do so in new ways. She is also passionate about social justice and apostolic mission. She is excited about the way the Spirit has been moving in the Rockies region and has been inspired by its communities and

members. She seeks to support these communities in their formation and communal growth and help foster renewal and growth in other areas of the Rockies, together with our much-treasured regional E.A. Fr. Charlie Pottie-Pate, SJ.
