

TRAFFIC ADVISORY NOTIFICATION

On Sunday, September 20th, the MVP Health Care Rochester Marathon will be passing by your neighborhood or business!

YellowJacket Racing is producing the MVP Health Care Rochester Half & Full Marathon on Sunday, September 20th. This notification is to inform you that your street may be closed/affected during certain timeframes; local residential traffic may be delayed but will be accommodated. Traffic will be able to cross through the closed areas, so not to completely halt transportation to churches, businesses and homes.

The race begins at 7:30 am on Maplewood Drive in Maplewood Park by the tennis courts, with the course closing at 2:30 pm. But please keep in mind that roads will be re-opened as the final runner passes each checkpoint. We appreciate the efforts of the Rochester & Irondequoit Police Departments. These officers along with volunteer road marshals will do their very best to lessen the impact to you and the community while keeping the runners and walkers out of harm's way.
