The Sunnyvale Department of Public Safety is hosting its annual "Rides for Toys" event Saturday, November 28. During this free special charity event, each child who donates a new, unwrapped toy will be given a ride on a Sunnyvale fire engine.

Parents will have a chance to discuss fire safety with Sunnyvale Public Safety personnel and receive informational brochures. Sunnyvale firefighters will present the donated toys to Sunnyvale Community Services, a nonprofit organization supporting those in need in our community.
