There will be no refunds if your child misses classes because they forgot to go or because they missed school that day.

No student will be permitted to attend an A.S.E.P. class if completed and signed registration forms have not been turned in. If the child does show up to the class without a completed registration form, the child will be sent to the office and someone will be called to pick him/her up.

Disruptive behavior will not be tolerated in any class. Only two warnings will be given to the disruptive students. If a student continues to disrupt class after the second warning, he/she will be directed to the main office and they will be notified about the behavior. The student will no longer be able to attend the remainder of the A.S.E.P. class and no refund will be given.

All A.S.E.P. students MUST be picked up on time from class. There is no after school supervision. If your child is picked up later than 5 minutes after the class is over more than two times, the child will no longer be able to participate in the class. No refund will be given.

Each time a class is cancelled for any reason, an additional day will be added to the end of the session. You will be notified by phone or email. If the class is cancelled within an hour of the scheduled class time for an unforeseen emergency, you will be notified by a phone call.

Chemistry Magic

Some of the earliest recorded "magic" was actually nothing more than a few simple science experiments using chemistry. Just imagine how amazed your friends would be if you could change crystal clear water into grape juice... and then into lemonade. Shhhh! Don't tell anyone that it's not really grape juice or lemonade. It's chemical magic and the ingredients are in your kitchen. Learn this "trick" and others like Bending Water, Burning Money, Smoking Fingers and the Leak Proof Bag. You and your friends will be amazed!
