WHAT'S HAPPENING AT SAINT PAUL

NEXT LIFE TOGETHER WEEKEND

This weekend, on **Saturday June 18 & Sunday, June 19**, the congregation is encouraged to wear name tags during and after worship to help us meet new people. At the beginning of each service an extended time will be allotted to greet each other. Also, enjoy an expanded refreshment cart between worship services and spend some time in fellowship.

YOU'RE INVITED: SAINT PAUL BLOCK PARTY!

Who? Saint Paul Lutheran Congregation

When? **Sunday, July 10 following the 10:45am worship until 3:00pm.**

Where? Owen Park

Our creative musicians Jeff & Cheryl will be grilling up hot dogs. Beverages will be provided. Bring a side and/or dessert to share! We have rented out Owens Park, yup, the whole thing! Activities available: small soccer game with pug goals, bring your own bags sets to play bags, bring your own glove for a softball game (balls & bats will be provided), etc. Barracades will be set up on the south side of the school parking lot through the north side of the church parking lot, so the parking lots can still be in use. The intersection will also have barracades set up. Come have summer fun with your church family! No RSVP needed. There will also not be a rain date...so pray now for good weather! Questions? Contact the church office.

COMMUNITY NEWS

MEN, SEXUAL INTEGRITY, AND YOUR CHURCH

To our AM 1160 Family of Pastors,

As a pastor, we know it can be difficult when men in your congregation come to you looking for help with their sexual integrity issues. Men in congregations across America struggle with pornography, lust, and affairs. Because it is a serious problem that requires a serious solution, we wanted to make sure you knew about the Every Man's Battle workshop that is coming to Chicago **Friday, July 8 - Sunday, July 10**. Brought to you by our radio partner, New Life Ministries, this nationally respected, biblically-based sexual integrity workshop has helped over 10,000 men engage in the battle to get their sexual integrity back. In this intensive three-day workshop, men work with licensed Christian counselors who arm them with the weapons they need for victory. Each month, the workshop is presented someplace in the country, and in July, the workshop is coming to Chicago. The exact location of the workshop is held confidential to everyone except attendees, and it is a NO SHAME zone for men to begin regaining the life God has called them to. Many pastors have attended themselves in order to sharpen their walk and to learn how to better equip men in their congregation for the battle. The enemy may have wounded men, but the battle is not over. Please encourage men to find out more about this workshop by calling 800-New-Life (639-5433) or visiting <http://newlife.com/emb/workshop/> Help them take advantage of this life-changing weekend while it is in Chicago.

New Life Live with Steve Arterburn airs weekday afternoons at 1 on AM 1160.
