

Exclusive benefit for LACC Georgia Members and their employees from Delta Dental

Eligible members of the LACC can now leverage the advantages of belonging to a business network with large group buying power through access to DeltaCare® USA.

We have engaged Quality Growth Management Inc. to manage communication, quoting and enrollment activities and serve as a point of contact on behalf of the Chamber. Through this program our member firms will be able to enhance their benefits package in order to boost employee productivity and retention.

Other advantages to LACC Georgia member companies include:

- No benefit maximums or deductibles
- More covered benefits than most group dental plans
- No waiting periods
- Hassle-free enrollment with no pre-existing condition limitations
- Access to preventive care for better oral and overall health
- Qualify for special tax credits under the new Healthcare Reform Act

For more information [click here](#) to visit the official channel to access this benefit: Quality Growth Management Inc. where you will find detailed specifications regarding eligibility, available plans, rates, answers to frequently asked questions, and a form to request a proposal for your company.
