

# You Are Invited to Our 1st Northeast Kingdom Provider's Extravaganza

Come join us for an evening of meeting, greeting and networking. There will be many area supporters of families, childcares and early education programs for you to meet along with lots of other providers too. We will have door prizes, be serving light refreshments & fancy "mocktails" such as margaritas, strawberry daiquiris and more! The Extravaganza will end with a huge multi-prize quarter auction, so bring LOTS of quarters. Your attendance at our party can be credited towards the STARS families & community arena.

Hosted by  
NorthEast Kingdom Provider's Association
