About the D.A.D. Program

The mission of **Drugs Are Dangerous Inc.** (also known as **D.A.D. Inc.**) is to serve and promote community involvement and education in the prevention of drugs and alcohol abuse.

Natural High events are held throughout the year in support of children, youth and families such as:

- ♦ **Bakie, Memorial and Middle School Family Roller Skating Parties** at Skateland in Haverhill, MA
- ♦ **Dad's Day** at YMCA Camp Lincoln, always held in June on Father's Day. This has been our major free event for the past 25 years, bringing the Sanborn Community of Kingston and Newton together for an afternoon of age appropriate activities and a family picnic.

About the SoRock Coalition

www.sorocknh.org

The **Southern Rockingham** Coalition for Healthy Youth is helping to promote, support, and sustain healthy choices for children, youth, and families in our communities by actively working to reduce and prevent alcohol, marijuana, prescription and other drug misuse.

Project Stand By Me has been offered to the SRSD for the past fifteen years. This has been a day that parents set aside to join their fifth grade children for interactive activities including educational workshops and/or literature review dealing with contemporary issues.

Throughout the past 20 years, **D.A.D.** has offered numerous parenting classes, public forums, and other educational programs/events for students and adults on substance abuse prevention. All in an effort to help children, youth and families become the best they can be. Together, with continued financial support from district voters and committed volunteers, **WE CAN MAKE A DIFFERENCE!**
