

## FSANA Non-Owned (Renters) Insurance Program from Starr

In partnership with Starr Aviation and the Flight School Association of North America (FSANA), Regal Aviation Insurance is administering this program for non-owned hull and liability insurance for renters and CFIs.

Who needs this coverage: Any pilot who is operating an aircraft that they do not own . . . flight school students, renters, and independent contractor CFIs.

### Coverage Highlights

- Personal/non-commercial coverage
- Provides coverage in a wide variety of non-owned aircraft: Fixed wing, non-pressurized land (including sailplanes/gliders) having a single-engine piston engine not exceeding 450-rated horsepower and no more than 7 total seats
- Coverage for flight Instructors and examiners, including negligent instruction coverage
- Available for single-engine, multi-engine, piston-powered rotorcraft, and single-engine seaplanes.
- Includes light-sport and experimental aircraft
- Deductible liability insurance included (up to \$5,000) when non-owned physical damage liability is purchased
- Medical payments available up to \$10,000 each person
- Baggage liability, search and rescue, and damage to non-owned hangars and contents included
- Easy buy and pay online system – process takes less than 5 minutes
- Immediate confirmation of coverage – buy today and fly covered today

The average cost of a claim is approximately \$30,000. Protect your future and get peace of mind when operating non-owned aircraft.
