Sarah Young, MPH

Sarah is a Public Health Analyst with the HRSA Federal Office of Rural Health Policy where she provides assistance to a variety of HRSA FORHP grantees, reviews Medicare rural hospital policies, and serves as the regional representative for the Kentucky Office of Rural Health.

Kayla Combs, MHA and Melody Nall, MS, MCHES

Kayla and Melody have worked together, and individually, for several years with Networks across the state. Their collective knowledge and skills are a tremendous resource for current and new Networks looking at all stages of a Network life-cycle from formation to sustainability.
