18 for the Legislature to borrow, appropriate or use, under any pretense
19 whatsoever, lottery net proceeds for the confinement, housing,
20 supervision or treatment of, or education programs for, adult
21 criminal offenders or juveniles adjudged delinquent or for the
22 construction, staffing, support, maintenance or operation of an adult
23 or juvenile correctional facility or institution;

24 D. (1) It shall be lawful for the Legislature to authorize by law
25 the establishment and operation, under regulation and control by the
26 State, of gambling houses or casinos within the boundaries, as
27 heretofore established, of the city of Atlantic City, county of
28 Atlantic, and to license and tax such operations and equipment used
29 in connection therewith. Any law authorizing the establishment and
30 operation of such gambling establishments shall provide for the
31 State revenues derived therefrom to be applied solely for the
32 purpose of providing funding for reductions in property taxes,
33 rental, telephone, gas, electric, and municipal utilities charges of
34 eligible senior citizens and disabled residents of the State, and for
35 additional or expanded health services or benefits or transportation
36 services or benefits to eligible senior citizens and disabled
37 residents, in accordance with such formulae as the Legislature shall
38 by law provide. The type and number of such casinos or gambling
39 houses and of the gambling games which may be conducted in any
40 such establishment shall be determined by or pursuant to the terms
41 of the law authorizing the establishment and operation thereof.

42 (2) It shall also be lawful for the Legislature to authorize by law
43 wagering at casinos or gambling houses in Atlantic City on the
44 results of any professional, college, or amateur sport or athletic
45 event, except that wagering shall not be permitted on a college sport
46 or athletic event that takes place in New Jersey or on a sport or
47 athletic event in which any New Jersey college team participates
48 regardless of where the event takes place.

1 (3) (a) It shall also be lawful for the Legislature to authorize by
2 law the establishment and operation, under regulation and control
3 by the State, of no more than two gambling houses or casinos, each
4 one to be located in different counties of this State, and to license
5 and tax such operations and equipment used in connection
6 therewith. The boundaries of each municipality in which each
7 gambling house or casino is located shall be outside a 75 mile
8 radius calculated from the outermost boundary, as heretofore
9 established, of the city of Atlantic City in the county of Atlantic.

10 (b) Any law authorizing the establishment and operation of such
11 gambling establishments shall provide for all the State revenues
12 derived therefrom to be credited to a special New Jersey Investment
13 Fund to be applied solely as follows.

14 Commencing in the first State fiscal year in which State revenues
15 are derived under part (3) of subparagraph D. of this paragraph, and
16 for the subsequent 15 State fiscal years, the revenues in the
17 investment fund shall be applied as follows:

18 (i) 35 percent of the amount credited in each State fiscal year
19 shall be dedicated for the purposes of the recovery, stabilization, or
20 improvement of the city of Atlantic City, and

21 (ii) 63 percent of the amount credited in each State fiscal year
22 shall be dedicated as follows:

23 one half for the purposes specified in part (1) of subparagraph D.
24 of this paragraph; and

25 one half for State aid to each county and municipality in the
26 State for programs and property tax relief for senior citizens and
27 disabled residents.

28 For the next subsequent 10 State fiscal years, the percentage
29 applied for the purposes of (i) above shall decrease by one and one-
30 half percentage points from the prior State fiscal year percentage,
31 and the percentage applied for the purposes of (ii) above shall
32 increase by one and one-half percentage points from the prior State
33 fiscal year percentage.

34 Thereafter, 20 percent of revenues credited to the investment
35 fund in each State fiscal year shall be applied for the purposes of (i)
36 above, and 78 percent of revenues credited in each State fiscal year
37 shall be applied for the purposes of (ii) above.

38 Commencing in the first State fiscal year in which State revenues
39 are derived under part (3) of subparagraph D. of this paragraph and
40 in each State fiscal year thereafter, two percent of the amount
41 credited to the investment fund in each State fiscal year shall be
42 dedicated for the purposes of programs designed to aid the
43 thoroughbred and standardbred horsemen in this State.

44 (c) The eligibility for the initial license to establish and operate
45 one of the gambling houses or casinos under part (3) of
46 subparagraph D. of this paragraph shall be limited to: a holder of a
47 New Jersey casino license that was operating a casino which was
48 conducting gambling on December 11, 2015; or any person licensed
49 as a principal owner of a holder of a New Jersey casino license that

1 was operating a casino which was conducting gambling on
2 December 11, 2015 if that principal owner also holds a valid license
3 to own and operate a casino in another jurisdiction with licensing
4 standards similar to those in New Jersey.

5 (d) The location and type of such casinos or gambling houses,
6 and of the gambling games which may be conducted in any such
7 establishment, shall be determined by or pursuant to the terms of
8 the law authorizing the establishment and operation thereof.

9 E. It shall be lawful for the Legislature to authorize, by law, (1)
10 the simultaneous transmission by picture of running and harness
11 horse races conducted at racetracks located within or outside of this
12 State, or both, to gambling houses or casinos in the city of Atlantic
13 City and (2) the specific kind, restrictions and control of wagering
14 at those gambling establishments on the results of those races. The
15 State's share of revenues derived therefrom shall be applied for
16 services to benefit eligible senior citizens as shall be provided by
17 law; and

18 F. It shall be lawful for the Legislature to authorize, by law, the
19 specific kind, restrictions and control of wagering on the results of
20 live or simulcast running and harness horse races conducted within
21 or outside of this State. The State's share of revenues derived
22 therefrom shall be used for such purposes as shall be provided by
23 law.

24 It shall also be lawful for the Legislature to authorize by law
25 wagering at current or former running and harness horse racetracks
26 in this State on the results of any professional, college, or amateur
27 sport or athletic event, except that wagering shall not be permitted
28 on a college sport or athletic event that takes place in New Jersey or
29 on a sport or athletic event in which any New Jersey college team
30 participates regardless of where the event takes place.

31 (cf: Art. IV, Sec. VII, par. 2; amended effective December 5, 2013)

32
33 2. When this proposed amendment to the Constitution is finally
34 agreed to pursuant to Article IX, paragraph 1 of the Constitution, it
35 shall be submitted to the people at the next general election
36 occurring more than three months after the final agreement and
37 shall be published at least once in at least one newspaper of each
38 county designated by the President of the Senate, the Speaker of the
39 General Assembly and the Secretary of State, not less than three
40 months prior to the general election.

41
42 3. This proposed amendment to the Constitution shall be
43 submitted to the people at that election in the following manner and
44 form:

45 There shall be printed on each official ballot to be used at the

STATEMENT

Under current law, casino gambling is permitted only in Atlantic City in Atlantic County. This constitutional amendment would allow the Legislature to pass laws to permit the establishment and operation, under regulation and control by the State, of casinos in two other counties of this State. No more than two casinos would be permitted and only one casino in each of the two counties would be permitted. Also, each casino is to be located in a municipality that is more than 75 miles from Atlantic City.

Only the following would be eligible for the initial license to operate one of the casinos in another county: a holder of a New Jersey casino license that was operating a casino in which gambling was being conducted on December 11, 2015; or any person licensed as a principal owner of a holder of a New Jersey casino license that was operating a casino in which gambling was being conducted on December 11, 2015 if that principal owner also holds a valid license to own and operate a casino in another jurisdiction with licensing standards similar to those in New Jersey.

The law would determine the location and type of such casinos and of the gambling games which may be conducted. The law would also determine the tax rate to be levied upon the gross gaming revenues derived from the gambling operations.

The amendment specifies that the State revenues derived from the new casinos would be credited to a special New Jersey Investment Fund to be applied solely as follows.

Commencing in the first State fiscal year in which State revenues are derived and for the subsequent 15 State fiscal years,

(i) 35 percent would be dedicated for the purposes of the recovery, stabilization, or improvement of the city of Atlantic City, and

(ii) 63 percent of the amount would be dedicated as follows: one half for the same purposes as Atlantic City casino revenues, that is programs for seniors and disabled persons; and one half for State aid to each county and municipality in the State for programs and property tax relief for senior citizens and disabled residents.

For the next subsequent 10 State fiscal years, the percentage applied for the purposes of (i) above would decrease by one and one-half percentage points from the prior State fiscal year percentage, and the percentage applied for the purposes of (ii) above would increase by one and one-half percentage points from the prior State fiscal year percentage.

Thereafter, 20 percent of revenues remaining in the investment fund in each State fiscal year would be applied for the purposes of (i) above, and 78 percent would be applied for the purposes of (ii) above.

Commencing in the first State fiscal year in which State revenues are derived and in each State fiscal year thereafter, two percent of the amount remaining in the investment fund in each State fiscal
