

On the weekend of November 7 & 8, 2015 Shepherd's Center Central once again hosted its annual KC Rakes! event. Each year volunteers provide free yard raking service for adults over the age of 65 who live in the Kansas City service area.

The program aims to assist older homeowners who cannot afford to pay for yard services, don't have family who can assist them, and who can no longer do yard work themselves. For many, it means so much to have assistance and remain independent in their own home.
