

30TH ANNIVERSARY CONTEST DETAILS

Theme: Reaching for Tomorrow: Inspiring the next generation of astronauts

Students can create any project that meets the theme of the event.

Details:

Projects Due: 4:00 PM MST on Thursday, January 7th, 2016

Winners announced: Thursday, January 14th, 2016

3 winners: one from Primary grades (K-2), one from Intermediate (3-5), and one from Secondary (6-12)

Dinner with an Astronaut: Winners, with one guest, are highly encouraged to attend the anniversary dinner on January 28th, 2016 at the Antlers Hotel (6PM) where they will receive an award. Projects will be displayed during the event. Winners will get to meet former astronauts who are in attendance.

Projects can be submitted to reception@clccs.org, or dropped off at the Challenger Center between 8:00-4:00 Monday-Friday.

Challenger Center will be closed November 23-27 and December 21, 2015 – January 3, 2016.
