

Mayer Hyman at HiTech Merchants is pleased to have become a Preferred Vendor of the OCA. The HiTech team is dedicated to providing the best in payment processing to our clients. Our full range of product offerings provides all OCA camps and vendors with real-time solutions that can save you time and money. Physical terminals, mobile payments, and easy camp management software integration are just some of the reasons why you should choose HiTech to handle your payment services.

"It's rare to find an individual who cares so much about his client and actually works day in and day out to ensure that you are getting the best rates and the best service possible," said Mark Diamond, member of the board of directors of the OCA. Some of our other satisfied clients include Camp Manitou, YLCC, Camp White Pine and the Ontario Camps Association head office.
