

Free Nature Festival at Grandview

Discover ecology through art and science while in nature! This free festival is open to 6th through 8th grade students. A mileage stipend is available to participating schools to offset field trip travel expenses.

Festival date: April 19 and 20, 2016 from 9:00 am to 1:30 pm each day

Activities touch on science, art, and English:

- Nature photography
- Watercolor wildflower painting
- Plant and animal identification through field study with field guide books and binoculars
- Investigation and exploration of current resources challenges and potential solutions
- Creative writing and more!

Festival Registration Deadline: April 12, 2016
