“God’s laws have no loopholes, and sometimes man’s law and God’s law come up against each other. The trend today is toward absolute patient autonomy: my life, my death, my choice.

“Our faith, on the other hand, says our lives belong to God and we have stewardship - not ownership - of our lives.” - Kathleen Gallagher

Teens and Adults are encouraged to attend and learn about the moral teaching and principles of our Catholic faith and how they offer a better alternative to today’s destructive right-to-die culture.

Hosted by Immaculate Conception Parish Respect Life, Youth, and Adult Faith Enrichment Ministries
